Bouquet Sale Public Sites

UPDATED: 2.29.2024

Volunteer for the 38th Annual Hospice Spring Bouquet Sale! On the following pages, you will see the list of sites where we will be selling our beautiful spring bouquets in the community. If you volunteer for this opportunity, it is preferred that you attend an informational meeting for public site volunteers.

If you are interested in volunteering, please contact Lisa Nestico at 716.989.2360 to sign-up for a shift. The number of volunteers needed per shift are noted in the last column, and if you have a family member or friend joining you to volunteer, please state this at the time you call.
