

Create a lasting memory by making a donation in honor of your loved one. From walkway pavers to benches, from trees to stained glass, to creating an endowed fund, the name of your loved one will be permanently displayed and recognized.

The Rudin family established the Giggle Fund endowment with the purpose of providing celebratory events that bring joy and laughter to pediatric patients in our Essential Care for Children program.

Annual Dedication Ceremony

Remembering loved ones with a lasting legacy.

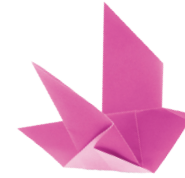

Each year in June, family and friends gather at the Milch-Mitchell Campus for Hospice Buffalo's Memory Garden and Brick Dedication Ceremonies. It is an evening of compassion and sentiment as each name is read aloud, honoring the lives and memory of these loved ones.

Create a legacy by creating a named endowed fund.

Naming an endowed fund provides financial stability to a specific area or program while your legacy lives on in perpetuity.

Donations \$25,000 or greater can be placed in an endowed fund of your choice. Or you can work with the foundation team to create a new fund to support the organization that's aligned with your wishes. Your donation will make a permanent impact on Hospice & Palliative Care Buffalo.

The Hospice Foundation's role is to support Hospice & Palliative Care Buffalo's (HPCB) network of services and help support the operational needs of each corporate component, as well as provide funds for future program development and ensure financial stability.
